

## JUST RETURNING FROM UP NORTH?

Remember, if you unplugged your cable box (which we do not recommend) it can take up to 48 hours for it to update and start again!

### **iPhone XR Now Available with Xfinity Mobile**

Xfinity Mobile customers can now order the iPhone XR in six different colors by visiting [xfinitymobile.com](http://xfinitymobile.com) or giving us a call.

iPhone XR features an all-screen design with a 6.1-inch Liquid Retina display – the most advanced LCD in a smartphone. It has Face ID and A12 Bionic – the smartest and most powerful chip ever in a smartphone. The breakthrough 12MP camera brings Portrait mode with advanced bokeh and Depth Control to a single-camera system.

## Where Can I Get My Channel Lineup?

- Option 1 Visit [xfinity.com/channel](http://xfinity.com/channel) lineup. Enter zip code or login.
- Option 2 Download Xfinity My Account on your mobile device. Select TV > View Channel Lineup.
- Option 3 Visit [xfinity.com/stream](http://xfinity.com/stream) or download the Xfinity Stream app on your mobile device. Select Live TV > All Channels.
- Option 4 Use the Voice Command on the X1 Remote to search any channel and access your TV listings.

## Do you Have the X1 box with Voice Remote?

Did you know that you can reboot your X1 box with your voice? How about easily displaying your WiFi network name and password for guests on your TV screen? Help on X1 can do all that and more, providing our customers with easy solutions to help them get the most from their Xfinity services – and give them one less reason to call us.

Customers can access the X1 Help Menu by saying “Help” into their X1 Voice Remote or by pressing “A” to launch the X1 Help menu, uncovering quick tips and even solutions to common problems right from their TV.
